

Regathering for Children

- Children of all ages are welcome. There is childcare for kiddos birth through Pre-K during the worship service. Registration is required the Friday before Sunday. You can register using Realm app on your phone or contact Stephanie, 580-2520.
- In this phase of re-gathering, worship on campus will be in the worship center only. Only worship center and bottom level of the Children's Building will be open.
- Social distancing does not apply to within your family. You will be able to sit next to each other as a family unit.
- We have a clipboard and Ziploc bag prepared for K-4th grade children with worship tools. Everything in the Ziploc bag is for them to keep and take home. Leave the clipboard on the pew and we will gather and sanitize before the next Sunday.
- There is a diaper changing station in the bathrooms in the foyer if needed.
- If you need to step out with a child, but want to stay in the building, you may go to the Family Room right outside the worship center on the children's building side. There are toys, etc and livestream of the worship service.
- Children 10 and under are not required to wear a face mask.
- Grace will be extended to all as we all do our best to follow the guidelines that are for the protection of us all.

I, and others that serve in our children's ministry, miss getting to see you and your family. We look forward to the time when it is safe for both children and volunteers to be together in our children's building learning about and praising God. Until then, we are available to talk to you or your children by phone, facetime, zoom, text, etc.

Be Blessed!
