

## Ministry Acceleration Program (MAP)

The idea is to get members to first, think about how they can reach others and then, take steps to carry out their ideas, dreams, callings, or vision.

This program provides access to funds that could enable someone to kick start their idea, when a lack of funding could kill an idea before it starts. Plus, it affirms their efforts. The program has three parts.

- **First** is we follow up on sermons like 7/10/22: [Mark 9 38](#) “Teacher,” said John, “we saw someone driving out demons in your name and we told him to stop, because he was not one of us.” <sup>39</sup> “Do not stop him,” Jesus said. “For no one who does a miracle in my name can in the next moment say anything bad about me; where we endeavor to encourage or affirm other’s ministry ideas rather than stop them.
- **Second**, we have a formal (but easy) way for members to access the funds with the MAP form attached. This form helps them think about steps they need to consider when turning an idea into a plan.
- The **third** part is the celebration. We will have ministry idea leaders (or their cheerleaders) report (to the church) their success or what they have done and learned. First celebration is tentatively scheduled for January 28

Formal announcement and kickoff were made on November 20<sup>th</sup>, with video about Ministry Acceleration.

MAP applications will be on the website in Editable PDF format, and submitted to LAT.

Interviews and/or presentation of ideas might be requested, but some ideas will be reviewed by the application only.

Applications will be responded to within 2 weeks.

By the end of the year we believe we will have many new creative outreach plans happening that will birth other ideas which will all ultimately and literally enable us to carry out the Great Commission.
